PERMIT APPROVAL # _____

Revised 7/21/2023

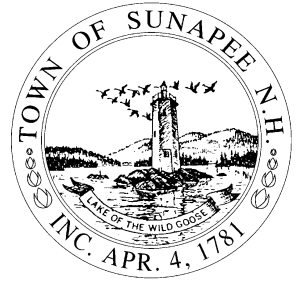

Thank you for applying for a permit! A Certificate of Zoning Compliance (CZC) is required for most construction in Sunapee (see 1-8 below). Your project will be reviewed to make sure it meets the town's zoning regulations. All references (in parentheses and underlined) refer to a specific regulation in the Zoning Ordinance. The complete ordinance is available on our website and at the town office.

NEXT STEP: After staff review, the application will be moved to the next Board of Selectmen's meeting for final approval.

PICK UP: Your permit will be ready to pick up starting the afternoon after the Board of Selectmen meeting. If you want it mailed to you, please let us know.

EXPIRATION: Permits will expire in 12 months if no earnest or substantial effort has been made to carry out the construction or alteration (8.23 & 8.25).

QUESTIONS? Please contact the Planning & Zoning Department anytime with questions.

IMPORTANT INFORMATION FOR PROPERTY OWNERS

About State Building Codes:

Property owners often ask *"do I have to build things 'to code' in New Hampshire?"* Yes! The State of New Hampshire has adopted state-wide building codes that are in effect in all towns and cities (see NH RSA 155-A, as may be amended). There are codes for electrical, plumbing, construction, mechanical, energy conservation, etc. Although the Town of Sunapee does not offer local inspection services, plan review, or enforcement of State building code compliance, we recommend that you contact your contractor or other professional to assist you with questions related to building codes. You may direct questions to the New Hampshire Department of Safety, Bureau of Building Safety & Construction, (603) 223-4289, fmo@dos.nh.gov.

What is your Parking & Traffic Plan during construction?

Sunapee's Town Parking Ordinance prohibits parking on the road. Also, parking off the side of a road could cause damage to the Town's right-of-way, drainage ditches and infrastructure. The person who causes damage may be liable. In addition, no road may be blocked without first getting permission from the Police Department. To make special parking arrangements during construction, please communicate with the police and highway department about your plan. Contact Info:

Police Department (603) 763-5555 / e.neill.cobb@sunapeepd.com; Highway Director (603) 763-5060

About Dig Safe®:

Be sure to contact Dig Safe® before you or your contractor does any digging, even for small projects. There are state laws and common-sense reasons why you must contact Dig Safe before you dig. Dig Safe® has a system to notify utility companies that might have underground services, so those companies can flag the utilities before someone starts digging. For more info, call 811 or visit www.digsafe.com.

About Energy Code:

Did you know that the New Hampshire Public Utilities Commission (PUC) will review your proposal to make sure it meets with the State's energy code? They will review the insulation factors, types of window ratings, etc. See RSA 155:A10-a (as may be amended). To take advantage, contact the PUC. For more info, contact (603) 271-6306, e-mail puc@puc.nh.gov or website <https://www.puc.nh.gov/EnergyCodes/energypg.htm>.

About Asbestos:

The State of New Hampshire has established certain requirements for licensing asbestos contractors and addressing asbestos hazards. Many homeowners have asbestos-containing materials in their homes and there are requirements if a contractor or a homeowner disturbs or removes asbestos. The State has rules about where you can dispose of or how to get rid of materials that have asbestos. For more info, call the State of NH's Asbestos Management Division at (603) 271-1370 or visit www.des.nh.gov or www.epa.gov/asbestos.
