Minutes of the Crowther Chapel Committee June 4, 2018.

In attendance Debbie Grant, , John Augustine, Craig Henio , Helene Hagan, Wendy and Skip Nolin, and Randy Richards.

We are looking for Docents for June 24th, Debbie Grant

July 29th

August 26th Susan

Swan
Nolin
September 30th Skip

We shared with Randy and Craig what we have done and what needs to be done.

Skip asked for money to purchase supplies as need, candles and cleaning supplies for the 2018 season. John made a motion to spend up to \$100. and Debbie seconded it. All in favor.

We talked about Solar Power and those possibilities. We have the lights that Josh Trow rigged up. Josh has been very good about making sure the battery pack lights are in working order. Craig will look into Solar lighting. John made a motion to not spend more than \$300. Skip seconded it. All in favor.

The artifacts have been packed away for the winter and will be brought back after the chapel has been cleaned before the June 26th opening.

We discussed the check list for docents to keep track of visitor information that Debbie put together last year. We found it useful.

Helene mentioned that the bridge to the chapel needs some help. The stones are beginning to fall out and the planks need repair. She also mentioned that we need to have chips on the walkway to cover the exposed tree roots. Craig will check on those needs as well as the poison ivy around the chapel. He will report at our next meeting.

The next meeting will be June 28th at 4:00 at Dexter's Inn.

Meeting was adjourned at 4:45.

Respectfully submitted,
