

Attention Boat Owners

We have had several people contacting us about registering your boats. At this time, we can process renewals if you have your renewal forms that you received in the mail.

You will need to sign the form on all X's add \$5.00 to each of the total due on the registrations and make a check out to Town of Sunapee for the total amount. You may mail it into us or place it in the drop box on our porch at the Town Office. We will process it and mail it back to you.

Anyone with a new boat we are asking that you hold off until times are safer for all of us as boats are not essential vehicles.
