Vehicle Registration Information

First and foremost, I hope this finds you and your families healthy. In these uncertain times we have all had to make major adjustments in the way we do business on many levels.

Recently I mailed out both April and May registration renewals. Please allow extra time for the renewal process and all renewals must be processed online or placed in the drop box on the porch at the town office. Registrations are being processed daily and mailed out immediately.

As always, if you have any questions please feel free to call or email the Town Clerk/Tax Collector's Office.
